

I started with Golden -74, and Flat Coated in 77. My main breed is flat and I have my first litter in 1984 under prefix Rintilla. I started with shows quite early and have made up several champions. I was steward in many years and became judge for flat coated in 1997. Since then I am now judging the whole FCI gr.8. I have been judging in CZ before but it is always a pleasure to come back and are really looking forward to come.
