

Philippe Lammens (of Misty Dreams kennel – France)

Hello Labrador lovers,

My name is Philippe Lammens, I am from Belgium, but still judge under the French Kennel Club,

I am breeding under the name 'of Misty Dreams'.

My first meeting with Labradors was in the hunting fields, I was 17 years, I got my first lab in 79, and she was a rescue dog,

We did a lot of obedience with good results.

I bought my first Golden & Labrador in 83', we took directly a good start, the Golden became Field Trial Champion and the Lab became Show Champion and Field Trial Champion.

I try always to follow the same idea, to have good looking Labradors who can be also a good hunting dog!!

I had my first litter in 85' and since that time I bred more than 80 Champions, and more than 50 other dogs who got CCs ,

We had also 10 Champions from other breeders, (Rocheby, Foxrush, Sireva, Carpenny, Foulby, Follies, Finnwoods, Van Budilium's hof and of course " of Sweet Eyes" and Black & Chocolate)

We had also 45 dogs that passed their Field Trial qualification. And last but not least 8 Field Trial Champions.

I am judge for field trial and working test, always happy to be in the fields or in the show grounds

We also bred dogs who got not the high quality's, but who were good pet dogs with super Labrador temperaments!

We never forget that we got these results because a lot of other breeders did a super job, thanks to them!

I owned also a very beautiful English Springer Spaniel and got some Cavaliers King Charles.

I enjoy judging specialities and met new friends over the world, I went to Great Britain, Ireland, USA, Canada, New Zealand, Australia, Brazil, Argentina, Mexico, Thailand, India, Pakistan, Japan, Sweden, Finland, Norway, Denmark, Russia, Serbia, Hungaria, Romania, Ukraine, Germany, Italy, Switzerland, France, Portugal, Spain, the Netherlands and Belgium,

In 2010 I had the great pleasure and honour to judge the dogs at the Potomac Labrador Club show (USA) and one year later I had the opportunity and honour to judge dogs at the Midland Counties Labrador Club (UK) I was so happy to give 3 CC in the UK, so sorry that I missed my second invitation at MCLC in 2021 for Covid problems.

I am so happy to have the occasion to go over the dogs of a lot of famous breeders over the world.

I want to thank the Retriever Club of the Czech Republic for this nice invitation, I will be very happy to judge at the Retriever's Speciality 2025,

Lammens Philippe
