I have owned Golden Retrievers since 1988 and started showing in 2005.

Along with my daughter Katie, we own the Zenevieva affix.

We are very proud of the Goldens we own and have bred for others with Champions in Ireland, UK, Europe, Canada, Australia, New Zealand and South Africa but most of all the Goldens bred who have gone on to do fantastic jobs for people with Autism and Disabilities.

I have been judging since 2007 and giving GS/CAC since 2014, Now qualified to Judge all breeds at CACIB level in Group 4, 7 & 8 and GS/CAC in some breeds in Groups 6&10.

I also give CC's in Golden Retrievers in the UK

I currently serve on the All Ireland GRC.

I am very much looking forward to Judging at your show.
