

Nicolas JOLLY – RODRIGUEZ

I have been surrounded by dogs since my earliest childhood. At the age of 14, I acquired my first Labrador, and since that day, they have never left my side.

Since 2002, I have been breeding Labradors under the kennel name “Castel du Tremblay.” Over the years, I have bred and owned champions in all three colours. Additionally, I have owned and exhibited Golden Retrievers, including championship show winners and group winners.

In 2020, I became an FCI judge, and I have had the pleasure of judging in various countries: France (including the French Retriever Club in 2021 and the European Dog Show in 2022), Italy, Switzerland, Croatia, Germany, Denmark, Belgium and Sweden. Currently, I serve as a committee member and president of the shows commission of the French Retriever Club.
